Dear Friends!

We welcome you to the 5th International Specialized Exhibition of Health and Beauty Industry "BeautyExpo Kyrgyzstan 2021".

This exposition is rightfully considered the largest exhibition event in the beauty industry of the Kyrgyz Republic, as an effective communication and demonstration platform for the presentation of exclusive products and services, sharing experiences, expanding the client base and list of business contacts, attracting new distributors, agents and business partners.

The exhibition "BeautyExpo Kyrgyzstan 2021" allows a confident step to increase sales, promote and strengthen the position of the exhibited brands in the Kyrgyz Republic and enter the markets of near and far abroad countries.

The exposition is a convenient multi-functional B2B platform that brings together representatives from various areas of the beauty and health industry, and is traditionally characterized by a special atmosphere of creativity, celebration and special respect for the fundamental concepts of fashion, beauty, taste and aesthetics.

We wish guests and participants fruitful work, success and achievement of their goals!
